

# DITA Lancier

Advanced Lens Technology  
for Land, Sea, and Air.

2024 Spring/Summer Collection Catalog

## DITA-Lancier Advanced Lens Technology Offers an Exceptional Experience for Many Environments.

See the world better without sacrificing style.  
Timeless Shapes. Classic Style. Fashion Forward.

DITA-Lancier is available in a variety of timeless shapes designed  
for a classic, enduring style. Equal parts form and functionality for  
everyday wear or life's adventures.

Enhanced Color.

See the world in a full spectrum of brilliant  
vivid color, enhanced for Land, Sea and Air.

Optimal Visibility.

Experience ultra high definition details,  
defining what's unclear to the naked eye.

Uncommon Expertise.

Superior clarity, contrast and depth for  
optimal visibility in most environments.

2024 Spring/Summer - Sun Collection
