# Kador

## A History of Eyewear Made in Italy

---

We are an Italian eyewear manufacturer located in the heart of the Cadore area, known worldwide as Italy's eyewear district. The magnificent craftsmanship skills of our origins back in 1962 remain part of our DNA, and together with carefully focused style research, the finest natural materials and the on going pursuit of the highest quality standards, this allows us to create Kador eyewear models renowned for their fine workmanship and distinctive, unique design.

## PREMIUM COLLECTION

A collection designed for a man who loves luxury and for whom only the best will do.

# PREMIUM

---

The Premium Collection is designed and created for the man who loves discreet and luxurious elegance.

Premium eyewear combines a sophisticated design inspired by the past and oriented towards the future, with the selection of the best Italian raw materials of natural origin processed using refined high level artisan techniques.
